## GOODY GOODY

### FAMOUS HAMBURGERS

#### A Classic Burger "POX" Is Born

When second owner William Stayer bought a Tampa barbeque stand from Ralph Stephens in 1929, it included all the recipes, including the BBQ sauce. Barbeque remained on the restaurant signs and advertising for years. But the distinctive, messy, tasty Goody Goody™ hamburgers - liberally doused with that tomato-based secret sauce - became the menu staple called "POX" (with precisely cut pickles, onions and, oh, that sauce). Rest assured. We have the secret sauce and our beef contains no filler. The Goody Goody™ burger is back
